

Hi to all High School Officials,

This is to inform you of a new procedure we are implementing for swimming. We are going to go online with registration and training of our High School swimming officials. Following are the directions to register, once you have registered a book will be mailed out to you and a background check will be done. Our training will begin in October, as in the past, you will log back on to the UHSAA Website www.uhsaa.org and take the clinics necessary for the certification you are looking for, this will be available for the month of October. You will find the clinic handouts on the web site also for you to print out. This is a very good move and will provide you insurance while you travel to, while there, and traveling home from a meet that you are working at, and the background check is for the safety of our swimmers.

Pass this information on to your team Please.

Directions to register as a Swimming Official:

- Go to the UHSAA Website. www.uhsaa.org
- Go to the Officials Tab located at the top of the screen.
- Go to UHSAA Officials Registration. You will see -Welcome to Registration Dashboard-
- Scroll down to 2017-18 Swimming.
- Follow the instructions to register and pay the \$55. fee as a Swimming Official through Arbiter Sports

Included in the registration fee is a background check, insurance and the Swimming and Diving Rules Book, which will be mailed to you once you complete the registration.

The clinic, handouts, and test to certify as a Swimming Official will be found on-line at the UHSAA Website beginning on October 1st. To view the swimming clinic you will access the "Clinic" tab on the UHSAA Homepage.

We are looking forward to another successful season of Swimming and want to provide these swimmers the bests experience possible,
Thank you for your continuing support of our swimming program.
